M eet Caroline and Katie, the dynamic design duo behind Monique's Draperies & Shades! This unstoppable team has been palming around all over the country seeking out new adventures from the sandy beaches of Southern California to the high mountains of Colorado since 2006. Caroline and Katie enjoy spending countless hours together with the design team at Monique's, but meeting new people is always their favorite part of any day. "Katie doesn't know she's a dog," Caroline says. "Even when we go to the dog park, she bee-lines right for the people." On their morning walks through Los Gatos to the local coffee shop, you can count on Katie to bounce right up to anyone she sees: wiggling in excitement. This always cheerful pooch also accompanies Caroline on business trips to her second store Coastal Design in Santa Barbara. But most days you can find Caroline, Katie, and the whole dog gone design team down at Monique's Draperies & Shades, making interior decorating dreams come true.
